Sensitive Santa
How to Use Visual Supports

Choice Board:

- Cut (and laminate if you'd like) the table of pictures
- Take it with you and show it to your child when you get to the school
- The pictures show options available and your child can point to/tell you what they want to do
- Present the choice board after every activity to see what your child wants to do next

Schedule

- Cut out the pictures from the table
- Print the My Schedule page
- Laminate (if you'd like) the pieces (after they're cut) and put Velcro piece on the back
- Laminate the My Schedule page and place Velcro on it
- Place the pictures in the order of events your child is participating in
